

4th DESIGN AND ENGINEERING OF NEUTRON INSTRUMENTS MEETING

2015 September 7th to 9th,
Budapest, Hungary

Join us at the DENIM 2015! the theme is »**Engineers for Science**«

The Budapest Neutron Centre is pleased to host the 4th DENIM in the capital of Hungary!

Venue: Park Inn Radisson Hotel Budapest

Topics

Choppers and chopper systems
Sample environment
Neutron beam polarization devices
Shielding
Beam shaping, beam slits, jaws and conditioning methods
Collimation and collimators
Motion and instrument control systems
Vacuum vessel design, analysis and approval
Detector systems and mechanics
Project management of instrument builds

Important dates

Registration open: February 15th, 2015

Abstract submission period begins: February 15th, 2015

Abstract submission deadline: June 15th, 2015

Notification of poster/oral acceptance: June 30th, 2015

Registration deadline: July 30th, 2015

Send your abstract to denim2015@bnc.hu

Further information: www.bnc.hu/denim2015

Meeting Chair

János Füzi - Wigner Research Centre for Physics

Local Organizing Committee

László Rosta - Wigner Research Centre for Physics
Ákos Horváth - Centre for Energy Research
Péter Lévai - Wigner Research Centre for Physics
Rózsa Baranyai - Centre for Energy Research
Margit Fábián - Centre for Energy Research
József Janik - Centre for Energy Research
Zoltán Dudás - Wigner Research Centre for Physics

Local Organizing Advisor

Zsolt Ludányi - Mirrotron Ltd.

International Organizing Committee

David Anderson, SNS	Mike Murbach, NIST
Elbio Calzada, FRMII	Mihály Pap, FZJ
Robert Connatser, ESS	Donald Pierce, NIST
Paris Constantin, ANSTO	Piet van der Ende, Delft
Lars Drescher, HZB	David Vandergriff, SNS
Andrew Eltobaji, ANSTO	Guido Heinz Vehres, FZJ
Benjamin Giroud, ILL	Yanyan Wu, CSNS
Nancy Hadad, NIST	Peter Keller, PSI
Stephen Harrison, ISIS	Wataru Kambara, J-Parc
János Füzi, BNC	Kevin Jones, ISIS

Local contact

Zoltán Dudás
